INFORMATION DISCLOSURE STATEMENT

Mail Stop Patent Applications  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicants submit herewith patents, publications or other information of which they are aware, which they believe may be material to the patentability of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

While this Information Disclosure Statement may be "material" pursuant to 37 CFR 1.56, it is not intended to constitute an admission that any patent, publication or other information referred to herein is "prior art" for this invention unless specifically designated as such.

Docket No. AUS920030858US1  
Serial No. 10/757,282

In accordance with 37 CFR 1.97(g) the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56 (a) exists.

The attached form, a substitute for PTO-1449, provides a listing of patents, publications, or other information as required by 37 CFR 1.98(a)(1). Copies of each of the items on PTO-1449 are not required because each item cites a published US Patent Application or issued US Patent. A copy of the non-patent publication reference is provided.

Applicants note that the enclosed Information Disclosure Statement is filed before the mailing of a first Office Action on the merits, and therefore is filed within the period described in 37 CFR 1.97(b). In the event a fee is required in connection with the enclosed Information Disclosure Statement, the Commissioner of Patents and Trademarks is authorized to charge Deposit Account No. 09-0447 for the necessary amount.

Respectfully submitted,

Amy J. Patillo  
Attorney for Applicants
